RCRA ID No.: IAR000518837

Dear Ms. Zeman:

On January 26, 2016, a representative of the U. S. Environmental Protection Agency inspected your facility. The inspection was conducted under the authority of Section 3007 of the Resource Conservation and Recovery Act. I have enclosed a copy of the inspection report with this letter.

I have reviewed the inspection report and determined that no violations of RCRA were documented. Therefore, no further action concerning this matter is necessary at this time. Please note that the EPA reserves its enforcement authorities, including assessment of penalties, for violations that occur at any time.

I would like to remind you that your facility is responsible for maintaining compliance with all applicable statutes, permits, or hazardous waste regulations. If there are any questions regarding this matter, please feel free to contact James Terry working under a grant at the EPA at (913) 551-7958.

Sincerely,

Edwin G. Buckner, PE
